

AMERICAN BISHOP JAN. 29TH

Election For the New Diocese of Edmonton is Causing Great Interest

ARCHDEACON GRAY'S NAME IS MENTIONED

Has Been Prominent in Many Lines of Endeavor Besides Church Work

The election of a bishop for the new-formed Anglican diocese of Edmonton will be held at All Saints' cathedral on Thursday, January 29th, and the historical fact is being given a good deal of interest among local churchmen. Several names have been brought forward in connection with the appointment, but the most prominently mentioned is that of Archdeacon Gray, rector of All Saints' church, and one of the pioneers in religious work in the west. The archdeacon has had a great deal to do with the progress of the Anglican church in the Edmonton district and the northern part of the province. Coming from the Calgary district where he first assumed holy orders, he has seen All Saints' church grow from very small beginnings to its present influential status, and is now hoping to have elected to the position of a much larger church that will be adequate for the growing needs of the parish.

Has Many Interests.
He has not confined his attention entirely to religious work, but he has also directed his energies towards the general welfare of the community. He has developed a great interest in the boy scout movement; he was for some time a member of the public school board, one of the new seven-teen-room schools now being planned; and he has also acted as a commissioner of the juvenile court.

Whether Archdeacon Gray will be the first bishop of the Edmonton diocese remains to be seen, although his many friends throughout the district are earnestly hoping that he will receive the honor. The voting will be by ballot.

How Voting Will Take Place.

After all candidates have been nominated, the voting will take place. All those not receiving two-thirds of the total vote dropping out automatically until only two are left. The clergy in each case will vote separately from the laity, and the two lists afterwards be added together. On the second ballot, two-thirds of the vote will be necessary to election, should a deadlock occur, new names may be nominated and the process repeated.

Bishop Plunkin, of Calgary, an administrator of the diocese, will be present, and the delegates will include every clergyman within the bishop's license, and one, two or three lay delegates from each of the parishes. The number of registered communicants.

FIRST GOVERNOR OF NORTHWEST DEAD AT OTTAWA

Hon. David Laird, Indian Commissioner of Canada, Passes Away at Ottawa

HE HAD BEEN ILL ONLY FEW DAYS

He was a Man of Upright Character and of Sterling Integrity

By Bulletin Staffed Wire. OTTAWA, Jan. 12.—Hon. David Laird, Indian Commissioner of Canada, former minister of the interior under Mr. McKenna, administration, first lieutenant-governor of the Northwest territories, and known throughout the length and breadth of Canada as one of the builders of the Dominion, having been lately instrumental in bringing Prince Edward Island into the union, died at his residence, 444 street, today, after an illness of only a few days.

The deceased contracted a chill while at his office on Tuesday last. He developed into bronchitis and from the first, owing to advanced age, it was feared that the attack would prove fatal. One of his daughters, the wife of Premier Matthews, of Prince Edward Island, arrived in Ottawa on Thursday last and spent the night at her bedside constantly until the end.

Leaves Four Sons.

David Laird leaves four sons. Hon. D. Laird, manager of the Bank of Nova Scotia, at Montreal, N.S.; Dr. G. Laird, of the Wisconsin university; Mr. G. Laird, former business manager of the Manitoba Free Press, and Harold, in the Indian affairs department at Ottawa, Ala., and another daughter, Mrs. H. B. Laird, Winnipeg.

The funeral will take place tomorrow afternoon from his late residence to the Central station, to be Charles-Intervenor, P.M.

Duncan C. Scott, deputy superintendent general of the Indian affairs department, paid a tribute to the late Indian Commissioner. He said in part:

"Hon. Mr. Laird was remarkable for his upright character and sterling integrity. This excellent quality gave him great influence with the Indians and his career in the Northwest was a most successful one, because of his influence with the people among whom he was working."

Being an early pioneer, Mr. Laird wrote a number of interesting records. One of these was in connection with his journey from Battleford to Blackfoot Crossing, when he went to make a treaty with the Indians.

A life size painting of the late David Laird adorns the walls of the Provincial Legislative Assembly Chamber, among the portraits of the west.

RECORD AT NOON 225 NEW MEMBERS

Ad. Club Membership Campaign Still Going With Rush—Lunches Wednesday

(From Evening Edition)

The Ad. Club membership campaign, which was launched at the Hudson's Bay at noon today to recruit progress and to map out plans for the future of the campaign.

Up till noon today about 225 new members had been secured, and the workers all speak highly of securing many more before tomorrow.

P. M. Dunn still claims the record for having secured a member in the shortest time, 20 seconds, according to W. W. Hutton, claims that all he had to do was to leave an application blank and along came a check. No talking. But Secretary Mike thinks he can do one better than that.

There, as a man was waiting at his office, he noticed that he had just been given an application and the secretary came.

The workers will meet again tomorrow noon at the Hudson's Bay. This will be the official wind-up of the campaign.

On Thursday noon a special luncheon of the whole staff of the Hudson's Bay will be held at the Empress Auditorium, when the business for the day will be confined solely to the introduction of new members. All old members are requested to be on hand and see the benefit along the new members with them.

KILLED BY HORSES KICK.

VICTIM, Jan. 12.—A and a fatality occurred last week, which resulted in the death of John Lawrence Ward, of the firm of Woodward & Morgan. The accident took place on a short, sharp leading line, south of the east side, coming back, shortly before the track is crossed. The unfortunate young man was returning home with a load of hay and it appeared that in coming down the incline the tongue became loose, throwing the weight of the wagon on the horses, which started them kicking. The deceased was known to have dropped a line, and it is believed that he was over to catch it he was struck in the head by one of the horses, which he stunned, falling underneath the track, both the front and back wheels passing over his body and chest. The horses turned into the ditch and stopped, but too late.

The deceased was accompanied by

CENTRALS PLAY ESKS AT ARENA ON WEDNESDAY

By Winning Eskimos Jump Into
Equal Place With the
Dominions

On Wednesday evening the Calgary Centrals will play against the Eskimos at the arena. While it is not considered probable that the Centrals team will win the game is an important one in that it should place the Eskimos on an equal footing with the Dominions. The defeat of the Edmonton team at Calgary last night came as a surprise to many of the fans who although they realized that the Centrals were a formidable aggregation relied on the skating powers of the Dominions to win out in the last few minutes.

In the matter of losses it makes the two Edmonton teams equal, so that it now looks as though the championship would rest on the outcome of the game between the two local teams on the 21st of the present month. However, should the Centrals take a fall out of the Eskimos tomorrow night that will again place the Dominions in the lead. Should the Eskimos win they will have an equal standing with the Dominions. At the present time the Centrals and Dominions stand equal in first place.

Although most fans will do it up that the Eskimos will defeat the Centrals, the Eskies are not going to take any chances. There is a saying that "Nothing is so sure as a sure thing," and with the fashion of upsetting all the odds that has been established in the Inter-City league the game is not won until the last goal is scored. The Centrals will be a more formidable aggregation than when they played the Dominions, holding there is a five to three score.

JURY CAN'T AGREE

LOS ANGELES, Cal., Jan. 12.—The jury in the case of Jess Willard, charged with violating the state law against prize fighting, reported tonight that it had been unable to reach an agreement. Judge Craig ordered the members locked up for the night.

Willard engaged in a contest with John (Bully) Young at the Vernon arena on August 22, 1913, and Young died a few hours afterwards. The point in question is whether the contestants intended to engage in prize fighting.

Score 6-5

Western Associated Press.
CALGARY, Jan. 12.—Chinooks, 6; Calgary, 5. The question of the Alberta hockey championship open tonight when they won from Edmonton Dominions by 6 to 5. A great crowd saw the game tied at 5 each in the last few minutes of the second regular period, and it was agreed that the first to score should count in the extra time. The Chinooks, who had the bulk of the Chinooks' goals, worked right through the game, although practically running on one leg, and won the game by a great shot, which may not have the slightest chance of scoring. There were several hard knocks, but there was nothing of a deliberately dirty nature in the game. Attendance, 1,590.

Special to the Bulletin.

CALGARY, Jan. 12.—Although failing to make much headway during the first half of the game, the Dominions last night came along in the second half, evening up the score and compelling the Chinooks to play overtime to win. As a result of the game, Calgary fans have hopes of winning the provincial championship. Before the game many thought that the Dominions would have the lead in the league, but the contest won by the local indicators that the Edmonton all-stars are not as formidable as was at first thought.

Hard Bodychecking.

The game was a clean one, although there was some hard bodychecking. Neither team at any time attempted any dirty play, and penalties were not heavy.

Scotty McLeod started the game with the Dominions, but was pulled out in condition. After twenty minutes' play he fell to the ice because of an injured shoulder. The Calgary

DOMINIONS CLEARED

CALGARY, Jan. 12.—President Pearson of the Alberta Hockey Association announced last night that he had received certificates from all members of the Dominions as to their occupation, and in view of the failure to find any proof of the charges of prostitution he is forced to clear them of the charges. All but Stanley are working, and he has been out of work and living at home and is planning to go to Fort George in the spring.

Mr. Pearson is quite satisfied with the case of McGovern, who is a broken leg in the Chinooks' team.

Manager Stevens of Alberta

Varley comes in for severe censure for making charges in his Winnipeg interview, and then on endeavoring to shoulder the blame on the newspaper man. A full statement will be given out tomorrow.

WRONG INFORMATION.

There was great rejoicing in Edmonton for a few minutes last night for the first report from Calgary stated that the Dominions had won by a score of six to five, but a few minutes later, however, until a second message arrived saying that the Chinooks had won by the same score. Engineers proved the correctness of the second dispatch. By some strange trick the news got reversed in transmission from Calgary.—Sport Editor.

With the Curlers

REGINA HOSPITAL

By Bulletin Leased Wire.
REGINA, Jan. 12.—The continued cold weather has attracted a large number of new rink to the hospital, and with the ice in the best of condition competition today was keen and the curling excellent. The visiting rink continued to hold their own and undoubtedly a big share of jewelry will leave the city.

Blackburn, of Winnipeg, was given another try in the 11 o'clock draw, when he met Harry Steyer of Moose Jaw. All games were in the Calgary drawing cup.

Both Saskatoon rinks won in the 12 o'clock draw. Anderson had an easy time with Watson, but Harker had to go 12 ends to beat Eldon of Walsley, out of the curling entries. The other rink, Harker, played by Percy, also lost, in a close finish to A. Carter, Regina.

Dick Ross sustained his first defeat of the hospital when he went down before Blackburn of Winnipeg. In the seven o'clock draw, it was the local rink's fourth game and the boys were barely up to form, but at that the Winnipeg rink carried a grand name—Oliver Harker. Kennedy, the second player, hardly missed a rock, while Ross, in the third, drove in to cut Ross out of a big end, this time in the Cameron.

Regina won the first prize in the Winchester pump stunt, something entirely new in the curling game. Harker had Ross won in this competition. He would have had it the two previous years.

In the 4:30 draw Payne of Winnipeg, set back at Logan, Regina, for the first time in the curling game. Harker, however, skipped the winning rink. Cunningham defeated McKee, Regina, in the 5:30 draw. McKee, Regina, maintained his record of a clean sweep in the curling game.

COAST LEAGUE

Injuries Have Reduced Number of Player on Every Team

By Bulletin Leased Wire.
VANCOUVER, Jan. 12.—The Pacific hockey league has been remarkably unfortunate so far this season in being crippled by injuries to players and every team in the league has suffered in this respect. Now Westminster is particularly unfortunate. With Ernie Johnston just recovering from a cut foot and Charlie Tobin still in the hospital list with a skinned ankle the team is further weakened by the retirement of Ed Outman, who sustained a broken leg in a game against Vancouver last Friday night. Frank Patrick, stepped on Outman's foot in attempting to handle and the little toe was fractured. Outman may be out of the game for six weeks.

Under the circumstances it is just possible they may be seen some six-man hockey on the coast this winter unless the club are able to secure former players. Westminster may be able to send only six players on the ice tomorrow at Victoria for the Royals have only one player with a hospital list of two at present.

ALL-AMERICAN DOW RACES.

By Bulletin Leased Wire.
BOSTON, Jan. 12.—Amateur handlers and owners of hunting dogs will have the field to themselves this week at the trial races of the All-American field trial club. More than 50 entries have been made for the two events, the Derby for the younger dogs, and the All-Age Stake, open to dogs of any age.

Among those here for the trial are B. J. Stevenson, and Dr. W. W. Allen, Chicago; Louis McGraw and W. J. Nelson, Pittsburg; Dr. H. R. Peck, Wilkes-Barre, Pa.; Gustaf Pelt, Milwaukee, and George Foster, Calgary, Alberta.

STAFF OF UMPIRES FOR BALL LEAGUE COMPLETE

By Bulletin Leased Wire

MEDICINE HAT, Jan. 12.—President Fleming has completed his staff of umpires for the coming season in the Western Canada league. Yesterday he received contracts from Wallace Wheeler, of Lethbridge, and Thomas G. Nelson, of Minneapolis, and they, along with Joseph J. Becker, of Chicago, will make up the league's trio of indicator handlers.

Wheeler of Lethbridge is not a stranger to the league, having worked as an umpire in the league in its earliest days. He is a first class man as is evidenced by the fact that he was a success in the New York State league.

Nelson has worked in the Wisconsin-Illinois and the Lacrosse, Wis., and other leagues and comes highly recommended. President Fleming is greatly pleased with the three men whom he has landed and indicates point to a smooth running circuit during the coming season.

WON MANY GAMES OF CHIEFS

NEW YORK, Jan. 12.—According to reports received here today, Joe H. Capabianca, the Cuban champion, won all but one of the six games he has played in St. Petersburg, Russia, since he was defeated by the hands of Shooko Horvack. His other opponents were Alekhine and Din Chaturra, both of whom he won from twice. He also defeated Shooko Horvack in one game.

Twelve trials with the locals.

BROOKLYN HAS SENT CONTRACT TO JOE TINKER

President Ebbetts Says League
Will Protect Itself From
Invasion

By Bulletin Leased Wire.
NEW YORK, Jan. 12.—Notwithstanding Joe Tinker's intention not to play organized baseball this season, as evidenced by his signing a contract to manage the Brooklyn Federal league team, Charles H. Ebbetts, of the Brooklyn National league club, announced today that he would mail Tinker a Brooklyn club contract this week.

"In my opinion," said Ebbetts, "as far as taking any steps to keep Tinker from playing with the Federals is concerned we would have to wait until he actually begins to play with the Federals before applying for an injunction. Until then he will not come to the Brooklyn field. The National league is naturally going to protect itself against the invasion of the Federals, but what steps are to be taken I am not prepared to disclose. The most foolish thing the National league could do now would be to show its hand."

MIKE GIBBONS DELIVERS

Seventh Round Saw the Finish—
Gibbons Landed Right
Hook

By Bulletin Leased Wire.
NEW YORK, Jan. 12.—Mike Gibbons, of St. Paul, knocked out Bob McAllister, of San Francisco, in the seventh round of their match at Madison Square Garden tonight. The decisive blow, a right hook to the jaw, came at the end of one minute and thirty seconds of the eighth round. The men were midweight.

Gibbons weighed in at 152 1/2 pounds and McAllister at 160. The Californian also had the advantage in height and reach. McAllister anticipated his opponent in the first four rounds, but Gibbons eventually sent over a hard hook, leaving Gibbons to his man in the fifth, lashing left to the jaw and effective right to the body, but McAllister's work at long range evened up the round. Gibbons repeatedly hooked McAllister on the jaw with left in the sixth, and McAllister showed signs of tiring. In the final round Gibbons caught the Californian with a right cross to the jaw, staggering him. He followed up his advantage with a combination of left and right, and ended the contest with a hard right hook to the point of the jaw.
